

CLEANING-UP

12 GOOD, BUT ADD TO THE SLOGAN

ALWAYS KEEP CLEAN

This can be done by using the best materials in

CLEANING

TRUE-TAGG PAINT:—

Is strictly pure and covers 400 square feet two coats, the cheapest paint you can use as it wears and holds its color.

MURESCO:—

The sanitary wall finish, made in all the popular shades. Any one can use it. Will not rub off.

SILK-TONE:—

The soft velvet finish for walls and all inside work. Can be washed.

PAPER CLEANER:—

To clean wall paper, making it look like new.

CARPET RENOVATOR:—

For cleaning carpets and rugs. Brightens the colors.

WAX-OIL POLISH:—

For cleaning and brightening all kinds of varnish surfaces. Does not injure the surface, but preserves it.

VAL-SPAR:—

The greatest varnish made.

CHINAMEL:—

For floors, furniture and all wood work. Easily applied. Wears like iron.

PAINT AND VARNISH REMOVER:—

Takes off old paint and varnish with very little labor.

JOHNSON'S DYES:—

The cheap, neat and quickly applied treatment for furniture and wood work.

HOUSEKEEPERS AND GARDENERS

Will find us prepared to fill all their wants. Don't waste time with poor material.

Phone orders receive prompt attention.

APPLICATION OF "SAFETY" PLANS

Advanced Step to Make Underground Workings Safe

The serious purpose and practical application of the "safety first" movement, recently inaugurated in Calumet by the C. & H. and subsidiary mines is very evident. As one employee, a miner, of the C. & H. company expressed it today: "The C. & H. means business and as the great rank of the employees awakens with the spirit of the help of co-operation, it won't take long to restore the same peace and harmony that existed in the C. & H. and subsidiary mines in by-gone years."

The extent to which the movement may be the means of preventing accidents, safeguarding the welfare of employees, and removing sources of danger, was indicated Saturday, when a committee composed of eight practical miners, timbermen, shaftmen and trammers, all employees of the C. & H. mine and who might rightly be termed experts, made a trip of investigation and inspection through the No. 6 shaft Hecla, from top to bottom, gathering information which might prove the basis of helpful suggestions. This committee included five nationalities so as to make it possible for the members to converse with men employed in the shaft and gain their views of what changes and corrections might be made.

The committee began its work at the top slope in which miners are working and examined the shaft, drifts and staves all the way down to the bottom slope of the 74th level. This committee will present its report to the mine officials with the assurance that all suggestions will be received gladly and remedies provided where possible. The spirit of co-operation to remove every possible danger will prevail to the utmost extent.

The "safety first" movement is a permanent step for the betterment of working conditions in the mines, mills and shops, for safeguarding life in respect of the cost. Employees are invited to recommend at any time any reasonable changes and to make complaint to any member of the committee.

PLANNING SUMMER CAMP.

Copper Country Boy Scouts May Get Together For Week's Outing.

The scout masters of the various copper country troops of boy scouts who formed an organization recently, likely will hold a meeting at an early date to take up plans for a summer outing for the boys. It has been suggested that the members of the different troops get together for such an outing possibly at Lac La Poudre. Under the direction and guidance of the scout masters, it would be possible for the boys to hold meets in connection with such a camp and develop to a higher point of efficiency than would be possible otherwise.

The Centennial Heights Boy Scouts will give an entertainment one week from Saturday evening in the Calumet A. E. church for the purpose of raising funds with which to purchase a citizenship membership in the Calumet Y. M. C. A. The boys will present in a dramatic form "The Death of Benedict Arnold" and the program also will include recitations, songs and instrumental numbers. It is expected the program will prove a very interesting one.

ON INSPECTION TOUR.

General Manager W. W. Walker of the South Shore road of Duluth and Superintendent C. E. Lytle of Marquette accompanied by Supt. Thomas Smith of the local division, made their annual tour of inspection today of the copper country lines. With two special coaches and an engine, they left Houghton early this morning, proceeding to Mills and to Point Mills, returning to Houghton late this afternoon.

C. & A. DIVIDEND \$1.25.

The directors of the Calumet & Arizona Mining company met in Calumet today and declared the regular quarterly dividend of \$1.25, and a dividend of 25 cents per share on the outstanding stock of the Superior & Pittsburgh company. The dividends are payable June 22 to stock of record June 5, on which date the transfer books will be closed.

LOCAL BREVITIES.

H. Beyer of Youngstown, Ohio, is a visitor among friends here.

Dr. O. L. Oler and wife of Gay are the guests of friends in Calumet.

George Rogers of Detroit is a business visitor among friends in Calumet.

P. W. Younger of Minneapolis is a visitor among friends in Calumet for a short time.

Harry Eplett departed this week for Cornwall, England, where he will visit with his parents.

Mrs. Edward Ulseth and daughter, Miss Mollie, have arrived home from a business visit to Chicago.

Miss Hazel Williams has left for Ann Arbor, where she will visit friends. She also will visit in Chicago.

Noah Peddeau has recovered from injuries he recently sustained in falling from a wagon he was driving.

The Ahmeek bowlers defeated the Red Jacket bowlers in three straight games on the Elks alleys last evening.

Miss Pearl Willis, formerly of North Tamarack, who recently was graduated from a well known maternity hospital, has returned to Calumet.

Mrs. George S. Schermerhorn of Reading, Mich., who has been visiting Miss Alma Lustfield, departed last evening for her home.

Mrs. John Mulvihill of Hannibal, Mo., has departed for her home after attending the funeral of her father, the late Dennis Shanahan.

Fritz Ziems, assistant baggage man at the Mineral range depot has resigned his position and has entered the employ of the Western Express company.

Capt. Will A. Childs, chairman of the Memorial day committee has announced a meeting will be held this week to arrange the program for the local observance.

Joseph Truscott, formerly fullback of the Calumet soccer football team, who has recently been playing professional football in England is expected here today to make his home.

Antone Onoek and Joseph Vindishman, entered pleas of guilty to the charge of being drunk and disorderly when arraigned before Justice William Fisher this morning, each paying a fine of one dollar and costs.

Miss Irene Day of Mohawk will leave this week for Flint to visit her brothers and later will enter the training school for nurses at Mercy hospital, Cadillac. Mrs. Michael Day will leave early in June to visit her sons in Flint.

The Calumet Associated Charities will conduct a rummage sale in the Ruppe building on Fifth street, commencing Friday, May 22. Contributions may be brought to the Ruppe building May 19, or by notifying the Associated Charities they will be called for.

Mrs. Wix Treadway and sons Everett and Wayne of Minneapolis, are visiting for a month at the home of Mrs. Treadway's parents, Mr. and Mrs. Charles Willis of North Tamarack. Mr. Treadway, who is now engaged in the grain business in Minneapolis, will come to Calumet to visit for a week the latter part of this month.

COLOSSEUM DIRECTORS.

Provision Made for Construction of Concrete Floor in Rink.

The directors of the Calumet Storage company, owners of the Colosseum met yesterday afternoon and elected the following officers for the ensuing year:

President—F. S. Eaton.
Vice president—Peter Ruppe.
Secretary—Fred Cowley.
Treasurer—Frank J. Kohlhaas.
Plans for the construction of a concrete floor in the big amusement place just as soon as the ground dries out sufficiently, were approved at the meeting. It is not announced whether a board floor or a floor of asphalt, such as has been suggested, will be erected over the concrete. This matter will be taken up later as will other projects which have to do with the improving of the big rink and grounds.

SUNDAY SCHOOL BASEBALL.

Younger Classes Have Teams and Want to Organize League.

Sunday school classes composed of boys between twelve and fifteen years of age have organized baseball teams and are desirous of forming a league. Physical Director John Johnstone of the Calumet Y. M. C. A. has the matter in hand and is anxious to hear from all Sunday school teams composed of boys of this age who would like to affiliate with the league, so that steps may be taken at once to organize and draw up a schedule of games.

As soon as sufficient entries are received for the league to be organized by adult Sunday school teams, a meeting will be called and schedule of games prepared so that practice may be started and games may be played.

NEW DIRECTORS TO BE ELECTED

Annual Meeting of Y. M. C. A. Members to Be Held Tonight

The annual meeting of the active membership of the Calumet Y. M. C. A. will be held in the lecture room of the association this evening to fill, by election, the vacancies caused by the expiration of the three-year terms of Directors Angus McKinnon, Allan Cameron, James D. James and Edward Ulseth. Each of the above is eligible for re-election.

The board will also act upon the resignation received recently of W. C. Kinsman, who for personal reasons desires to retire from the board. Mr. Kinsman's term ordinarily would not expire for another year. It is probable the members will elect a new director for the short term. Other members of the board are E. S. Grierson, Dr. W. T. S. Gregg, T. G. Brown, J. P. Petermann, R. C. Chamberlain, W. J. Reynolds and Thomas W. Hyslop.

The directors will hold their regular monthly meeting at the conclusion of the annual meeting, when plans for work during the coming year will be taken up, including the preparation of the annual budget.

In Physical Department.

Greatly increased interest in the activities of the physical department of the association, notwithstanding the recent strike, is indicated by the annual report of Physical Director John Johnstone, which will be incorporated into the annual statement. The report reflects much credit upon the able direction of Mr. Johnstone. It is as follows:

1912-'13. 1913-'14.
"Gym" attendance 11,151 12,598
Swimming pool 10,418 15,385
Taught to swim 48 178

TO CELEBRATE FOURTH.

Red Jacket will celebrate the Fourth in a fitting manner. This was made plain this morning when a representative of The News asked President F. H. Schumaker as to what plans were being made for such an observance. President Schumaker is prepared to call a meeting in the near future to organize committees and take up other details of preparations.
